Titan Options Welcome Promotion	
Promo Code Description	Redeem the Promo code and receive a reward of 15 USD / 3,000 JPY in trading credit to use on Titan Options.
Promo Code	OPTIONS26
Rewards	A reward of 15 USD / 3,000 JPY in trading credit that can be used for trading Titan Options. The reward becomes withdrawable once the client reaches a cumulative trade value of 300 USD / 60,000 JPY in eligible Titan Options trades. There is no time limit for reaching the trade value requirement. Clients can track their progress towards meeting the trading value requirement directly on the Titan Options platform. For this Promotion, only trades executed on the designated Titan Options account count towards the trading value requirement.
Qualification Requirements	Redeem the Promo Code in the Client Cabinet
Promo Code Availability Period	From 26th November 2026 00:00 GMT+2 to 31st January 2027 23:59 GMT+2
Reward Payment Date	Within two (2) business days of redeeming the promo code
Eligible Clients	New clients and current Titan FX clients
Eligible Accounts	All live Titan Options accounts
Eligible Instruments	All Titan Options instruments
Other Conditions	• For this promotion only, trades do not have to be held for a minimum of two (2) minutes to be eligible trades. • If the client requests to withdraw any funds from their designated Titan Options account before meeting the applicable trading value requirement, the promotional reward and any profits generated from trading with that reward will be cancelled. • This Promo Code cannot be combined with any other offer or promotion and can only be used once. • Clients must complete KYC verification before redeeming the Promo Code. • All Promo Codes are subject to Terms and Conditions for Promo Code Offers and Titan Options' Terms and Conditions . • In the event of any inconsistency between this Fact Sheet and the Terms and Conditions for Promo Code Offers, this Fact Sheet shall prevail solely with respect to this Promotion and only to the extent of such inconsistency. All other provisions shall remain applicable.
